Information on the Laboratory

Laboratory : Laboratory for Udder Health & Milk Quality- Israel Dairy Board
Address : 20 Bareket St, North Industrial Park
Postal Code : 38900
City : Caesaria
Country : Israel
Phone : +972-4-6274477
Fax : +972-4-6274242
E-mail : rama@milk.org.il
Website : <http://www.israeldairy.com/>

Director :

Firstname : Rama
Name : Falk
Email : rama@milk.org.il

Affiliation(s)

Association/NGO-NPO

Accreditation(s)

Accreditation :	Israel Laboratory Accreditation Authority
Address :	Kineret St, Airport city POB 89
Postal code :	70150
City :	Lod
Country :	Israel
Coverage of accreditation :	Mastitis pathogens diagnosis in milk Total bacteria count in raw milk Coliform count in raw milk

Type of milk

Cow milk
Goat milk
Ewe milk

Categories of analytical methods practised

Biochemical methods (enzym., immuno., mol. biol.)
Microbiological methods

Milk and Milk Products tested

Liquid milk and whey (including raw milk, skim milk, homogenized, heat-treated, etc.)

Purpose of the analytical Activity in the Laboratory

Animal health / Herd sanitary (Veterinary analysis)
Milk recording / Dairy Herd Improvement / Dairy genetic
Research and development in dairy industry
